### Two Reports on Monthly Nevada Gaming Revenues

The Center released the [Nevada Gaming Statistics: July Comparison](#), which examines revenue trends for Statewide, Las Vegas Strip, Downtown Las Vegas, Boulder Strip, and Washoe County for the month of February for the past eight years. In addition, the [Nevada Gaming Statistics: The Last Six Months](#) summary was updated with current information.

### Updated Report: Maryland Casinos: Monthly Revenue

Since their 2010 debut, Maryland has developed one of the most talked-about gaming markets on the East Coast. This report, using data from the Maryland Lottery, tracks the monthly performance of the state's video lottery terminals statewide and by casino. Data begins with October 2011 and runs through the most recent month released by the Maryland Lottery.
